They grow in empathy, teamwork, and self-awareness.

100%

of social-emotional outcomes improved (9 of 9)

ENGAGEMENT

They stay on task and come back on their own.

54%

return within 30 days · vs. 30–40% typical

1

STUDENTS think, decide, and explain

2

TEACHERS see reasoning in action

3

LEADERS get evidence beyond test data

immersionED is a real game-changer. Unlike many other AI companies, it's grounded in real research. This is the future.

— Marten Roorda, Former CEO of ACT

Early results from organic classroom use across 209+ schools and 11,800+ students. immersionED is extending this work through formal, university-led research.
